

Cal Grant B Access award may allow up to \$1,551 for the 2008-2009 academic year. The Access Grant is designated for costs including living expenses, transportation, supplies and books.

Azusa Pacific University policy states we will transfer your eligible Access Grant award to your student account toward your outstanding balance.

You have the right to request, **in writing**, your Access Grant be refunded to you excluding it from paying the outstanding balance on your student account. If your award has transferred prior to your written request, APU will no longer apply the Access Grant to outstanding balance for future disbursements.

Please note: An outstanding balance on your student account will prevent future registrations from being processed.
