By federal regulation, a legal dependent is defined as your child or any other person who 1) lives with you, 2) receives more than half of his or her support from you, and 3) will continue to receive that support through June 30, 2009.

In order for us to determine whether or not such individuals are considered as “dependents” for financial aid purposes, you must provide the following information to verify and explain the relationships and resources of each person.

Do not include any person who will *not* continue to receive more than half of his or her support during the 2008-2009 school year. **If you DO NOT have any dependents, check this box** and sign the certification below. If you have legal dependents, complete SECTION I, sign the certification, and return this form to the Graduate Center.

SECTION I – If you need additional space, please use the back of this form. Use the comment section below to explain any unusual circumstances that you want our office to take into consideration.
